

Read 4 Adventure Program

High Trek Adventures is teaming up with local elementary schools to encourage our youth to develop strong reading habits as well as experience outdoor adventures in the PNW. During the month of March, students who achieve the reading goal of 8 hours of recreational reading will earn their choice of a Ropes Course or Laser Tag Adventure (valued up to \$40) or a discounted Summer Camp Voucher (valued at \$50).

On the reverse side of this document is a **Reading Log** for your child to keep a record of their reading progress. Starting on April 1st, you and your child can use the link below to complete the online R4A Student Reading Submission Form. Student Reading Submission Forms must be submitted by the end of the day on April 15th. These submissions will be verified by a school administrator and approved for Reward Voucher Distribution. Vouchers will be issued and delivered by High Trek Adventures via email before May 1st and will be available for immediate use upon receipt.

High Trek Adventures is located 20 minutes North of Seattle in Paine Field Community Park. Climbers ages 7 and older will have access to over 60 obstacles up to 45 feet in the air and 3 ziplines during their visit. Students ages 4-6 will have access to our Kids Course and 2 ground level ziplines. If your child is not comfortable with heights, they also have the option to use their ticket for an hour of laser tag and mini golf or they can get a discounted summer day camp voucher.
